Coming from the minds of Phil Lord and Christopher Miller, the creative pair behind *The Lego Movie* and *21 Jump Street*, the duo have combined their unique talents to create a fresh vision for the Spider-Man Universe, with a groundbreaking visual style that's the first of its kind. The film introduces Brooklyn teen, Miles Morales, and the limitless possibilities of the Spider-Verse, where more than one can wear the mask.

The now Oscar® winning *Spider-Man: Into the Spider-Verse* (referred to simply as *Spider-Verse* from here on in) is the rarest of things: a true game changer. It marks a clear line between before and after. We've had plenty of Spider-Man films over the last two decades, and they've been fun, witty and colourful — but *Spider-Verse* is a cut-above, and not just above the Spider-Man films, but above superhero and animated movies alike. Its animation style is revolutionary, its script is joyously

knowing and embraces the at times complicated comic book heritage of such a long-running character. The film's star-studded soundtrack is potentially one of the year's best (although *Black Panther's* is a tough one to beat), and lastly, it manages to be funnier than most comedies.

The film's unique and unprecedented animation style, which took a year to create, pulls together old and new animation techniques, which give the characters a look that clearly nods to the original comics, whilst still being refreshingly 'other'. Even the frame rate at which the characters move has been perfected, resulting in a physicality that's at times visceral, graceful, or bluntly violent, depending on what the scene and characters require in the moment.

In the director's chair (or 'chairs', in this instance) are Bob Persichetti, Peter Ramsey and Rodney Rothman, all of whom Phil Lord labels: 'the action guy', 'the comedy guy' and 'the poet',

respectively. And given how much there is to wrangle in this film, having three directors makes perfect sense. What's so remarkable is that the film feels like a unified vision, despite the fact that it has a multitude of people feeding into it. The film is teeming with ideas and energy — far more than one soul could bring to such an endeavour — and it feels like each and every person is as passionate and in love with the story as the next and is adamant to do right by it. The making of a film often seems like it's driven by a kind of dictatorship, but *Spider-Verse* could just about convince you that when the right people come together on the right projects, they all pool together in service to the idea. Now that Lord, Miller et al have built their fun, new sandpit universe, let's hope it's not too long before they decide to play in it once again and continue the adventures of Miles and Co.

Phil Lord dan Christopher Miller, pasangan kreatif di balik *The Lego Movie* dan *21 Jump Street*, berhasil memadukan bakat unik mereka dalam menciptakan visi baru nan segar untuk Semesta Spider-Man, dengan terobosan gaya visual yang belum pernah dilakukan sebelumnya. Film ini memperkenalkan remaja asal Brooklyn bernama Miles Morales, dan peluang tak terbatas di Spider-Verse, saat topeng Spiderman dapat dikenakan tidak hanya oleh satu makhluk.

Spider-Man: Into the Spider-Verse (mulai kini cukup disebut sebagai *Spider-Verse*) yang telah memenangkan Oscar® merupakan hal langka dan membawa perubahan yang luar biasa. Film ini menandakan batas jelas antara sebelum dan sesudah. Kita telah disuguhi banyak film Spider-Man dalam dua dekade terakhir, dan film-film tersebut menyenangkan, cerdas, dan penuh warna, namun *Spider-Verse* lebih dari semua itu, dan bukan hanya lebih dari film-film Spider-Man, tetapi juga dibandingkan dengan semua film pahlawan super dan animasi lainnya. Gaya animasinya revolusioner, naskahnya memahami dan mengikutsertakan warisan buku komik yang rumit tentang tokoh

yang telah bertahan sekian lama. Lagu pengiringnya yang bertaburan bintang, berpotensi menjadi salah satu yang terbaik tahun ini (meski *Black Panther* sulit untuk dikalahkan), dan terakhir, film ini berhasil memunculkan adegan-adegan lucu bahkan lebih dari kebanyakan film komedi.

Diperlukan setahun untuk mewujudkan gaya animasi unik dan belum pernah ada sebelumnya dari film ini, yang menyatukan teknik animasi lama dan baru, sehingga menghasilkan tokoh-tokoh yang masih mengacu kepada komik orisinalnya, namun tetap tampil segar sebagai sesuatu yang lain daripada yang lain. Bahkan tingkat bingkai per detik dari gerakan para tokohnya juga disempurnakan, dan menghasilkan gerakan yang terkadang intuitif, anggun, atau kasar habis-habisan, tergantung dari apa yang diperlukan dalam adegan dan dibutuhkan tokohnya pada saat itu.

Film ini disutradarai oleh Bob Persichetti, Peter Ramsey, dan Rodney Rothman, yang secara berturut-turut disebut oleh Phil Lord sebagai: 'bagian aksi', 'bagian komedi', dan 'sang penyair'. Dan mengingat begitu banyaknya hal yang disajikan dalam

film ini, memiliki tiga sutradara merupakan hal yang cukup masuk akal. Yang juga sangat menakjubkan adalah bahwa film ini terasa seperti visi yang satu meski terdapat beberapa orang yang menyertakan ide-ide mereka. Film ini penuh ide dan energi, lebih daripada yang bisa dibawa oleh satu orang saja untuk menghasilkan karya sedemikian rupa, dan setiap orang terasa bersemangat dan mencintai kisahnya sebagaimana dua orang lainnya, dan mereka bersikeras untuk melakukannya dengan tepat. Terkadang pembuatan film terasa seperti didorong oleh semacam kekuatan diktator, namun *Spider-Verse* mungkin dapat meyakinkan Anda bahwa saat orang-orang yang tepat bersatu mengerjakan proyek yang tepat, mereka akan bekerja sama untuk mendahulukan ide.

Kini setelah Phil, Christopher, dan rekan-rekan mereka berhasil menciptakan semesta baru yang seru dan menyenangkan, marilah kita berharap bahwa tak lama lagi mereka akan memproduksi film baru dan melanjutkan petualangan Miles dan kawan-kawan.

Biography, Comedy

*Available on selected flights only.

*Tersedia untuk penerbangan tertentu saja.

When Oscar® season arrives, it is often easy to spot a number of new movie releases angling for a coveted gong. These titles often include a worthy subject or a faded star making a gritty comeback. However, beware simply dismissing *Green Book* as Oscar® bait, it has far more to offer.

To begin, the choice of director is interesting and potentially risky, Peter Farrelly is best known for gross-out comedies and his oeuvre includes *Dumb and Dumber*; he's hardly the logical choice for a drama about serious social issues. At its heart, *Green Book* is an archetypal road movie and mismatched buddy movie that happens to take place in racially segregated 1960s America. Looking back at another credit in

Farrelly's back catalogue, *Kingpin* might better explain the director's involvement, as it's a comedy in which two incompatible protagonists travel around the USA on a ten-pin bowling themed road trip.

Green Book focuses on Tony Lip (Viggo Mortensen), a straight-talking Italian-American bouncer whose only two loves in the world appear to be food and his family. When the club he works in temporarily closes, Tony is offered an interview where he meets the enigmatic Dr Don Shirley (Mahershala Ali), a world-class African-American jazz pianist. The reclusive Dr Shirley explains he wants Tony to drive him on a concert tour from Manhattan to the Deep South, and after a little persuasion, Tony agrees.

As the duo progress on the tour, the initial tension between them slowly becomes more respectful as Tony helps Don appreciate the cultural stereotypes that he has shied away from. At the same time, Don educates Tony about language by improving his letter writing skills, and also about pride by displaying his commitment to playing music in hostile states.

The film does not shy away from the serious issues, highlighting how Dr Shirley must rely on 'The Green Book' to find accommodation in flea-ridden blacks-only motels, whilst Tony can stay where he wants. Despite being set a half-century ago, it's disheartening how important its message about equality and acceptance still is.

Saat musim Oscar® tiba, sering kali mudah untuk mengenali peluncuran film baru yang mengincar piala yang amat didambakan itu. Film-film ini biasanya membahas subjek penting atau tentang bintang pudar yang berusaha keras untuk kembali bersinar. Namun *Green Book* bukan sekadar pengincar Oscar®, film ini menawarkan lebih daripada itu.

Sebagai permulaan, pilihan sutradaranya menarik dan mungkin berisiko, karena Peter Farrelly lebih dikenal berkat film komedi yang vulgar, dan karya populernya antara lain adalah *Dumb and Dumber*, sehingga ia bukanlah pilihan yang logis untuk menyutradarai film drama tentang isu sosial. Pada intinya, *Green Book* merupakan film tipikal tentang perjalanan bermobil dan pertemanan yang tak sesuai, yang kebetulan terjadi di Amerika tahun 1960-an, saat segregasi masih diterapkan. Jika melihat film Peter lainnya yaitu *Kingpin*,

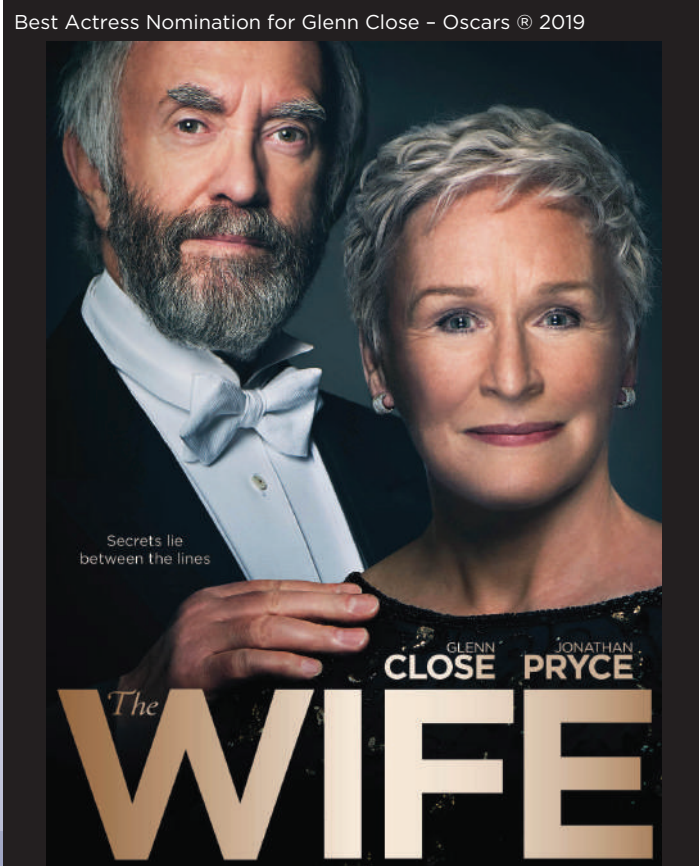

keterlibatan sutradara ini mungkin dapat dimengerti. Film ini merupakan komedi tentang dua protagonis dengan sifat berbeda yang bepergian ke seluruh AS dengan bermobil dalam rangka bermain bowling 10 pin.

Green Book mengisahkan tentang Tony Lip (Viggo Mortensen), warga Amerika keturunan Italia yang blak-blakan dan berprofesi sebagai tukang pukul, dengan kecintaan hanya pada dua hal di dunia ini yaitu makanan dan keluarganya. Saat klub tempatnya bekerja tutup untuk sementara, Tony ditawarkan pekerjaan melalui sebuah wawancara oleh Dr Don Shirley (Mahershala Ali), seorang pianis jazz Afrika-Amerika yang penuh teka-teki. Dr Shirley yang penyendiri meminta Tony untuk menyupirinya selama tur konser dari Manhattan ke daerah Selatan pedalaman, dan dengan sedikit bujukan, Tony menyetujuinya. Seiring perjalanan mereka, ketegangan

yang awalnya ada antara mereka perlahan berubah menjadi rasa saling hormat, dan Tony membantu Don untuk menghargai stereotip budaya yang selama ini ia hindari. Pada saat yang sama, Don mengajari Tony tentang bahasa dengan memperbaiki kemampuannya menulis surat, serta mengajarnya tentang harga diri dengan menunjukkan komitmennya untuk tetap bermain musik di situasi yang tak ramah.

Film ini tidak menghindari isu serius dengan menyorot betapa Dr Shirley harus mengandalkan 'The Green Book' untuk menemukan akomodasi di penginapan kemuh khusus orang kulit hitam, sementara Tony dapat menginap di mana pun ia mau. Meski berlatar waktu setengah abad yang lalu, sungguh mengesankan bahwa pesan tentang persamaan derajat dan penerimaan saat ini masih amat penting.

Amandla Stenberg stars in this powerful and evocative drama that cuts deep and hits hard. Perhaps one of the most game-changing entries into the young adult genre, *The Hate U Give* (adapted from Angie Thomas' book of the same name) is a story of social activism and gritty realism, told through the eyes of a teenager in the midst of it all.

The plot follows sixteen-year-old Starr Carter (Stenberg), an African-American girl living two very separate lives, one that helps her fit in with her predominantly African-American community, and another which appeals to her mostly white peers at school. One night, after leaving a disastrous party with her childhood best friend, Khalil (Algee Smith), who is driving her home,

they encounter a white police officer who, misjudging Khalil's behaviour, shoots him dead. This makes the headlines, and as the only witness, Starr must decide whether to keep her identity a secret so she can carry on living a normal life or come forward to pursue justice for Khalil.

Stenberg's performance is breathtaking and passionate, and years from now is sure to be remembered as one of her best. One scene in particular (taking place at Khalil's funeral) will likely give audience members chills and is made very powerful thanks to Stenberg's raw emotion.

The stellar cast also includes the likes of Regina Hall, Russell Hornsby, K.J. Apa and Anthony Mackie, all of

whom give great performances. The highlight of the film is Hornsby's role as Maverick, Starr's tough-loving, fiery father with a troubled past, who only wants to protect his family.

The soundtrack is deftly selected and is made up of a range of hip-hop, rap and R&B tracks as well as a mix of gospel and classical influences, all of which lend themselves to the tone and subject matter. The inclusion of legendary rapper 2Pac's music is smart, as his lyrics often touch upon social injustice and the black experience in America (not to mention the fact that he inspired the film/book's title).

The Hate U Give is a genuinely thought-provoking young adult drama which is distressingly timely.

Amandla Stenberg membintangi drama yang berkesan dan emosional ini. *The Hate U Give* (diadaptasi dari buku berjudul sama karya Angie Thomas) merupakan film bergenre remaja yang mungkin paling mengesankan dan bercerita tentang aktivitas sosial dan kerasnya kenyataan hidup yang dituturkan melalui sudut pandang seorang remaja yang berada di tengah-tengah semua itu.

Alurnya mengikuti Starr Carter (Stenberg), seorang gadis Afrika Amerika berusia enam belas tahun yang hidup dalam dua dunia yang amat berbeda, salah satunya membantunya menyesuaikan diri dengan komunitas yang didominasi warga Afrika-Amerika, sedangkan yang lainnya lebih menarik bagi teman-teman sekolahnya yang mayoritas kulit putih. Suatu malam, setelah meninggalkan pesta yang kacau bersama sahabat masa kecilnya, Khalil (Algee Smith), yang

mengantarnya pulang dengan bermobil, mereka bertemu seorang polisi kulit putih yang salah menduga sikap Khalil dan menembaknya hingga tewas. Hal ini menjadi berita utama, dan satu-satunya saksi, yaitu Starr harus memilih apakah akan tetap merahasiakan identitasnya sehingga dapat tetap menjalankan hidup secara normal atau mengajukan diri dan memperjuangkan keadilan bagi Khalil.

Penampilan Amandla sungguh memukau dan emosional, dan bertahun-tahun dari sekarang, pasti akan diingat sebagai salah satu penampilannya yang terbaik. Salah satu adegan yang menonjol (berlangsung di pemakaman Khalil) akan membuat penonton merinding dan dibuat dengan begitu memukau berkat emosi Amandla yang terlihat jelas.

Daftar pemeran yang bertabur bintang terdiri dari Regina Hall, Russell Hornsby, K.J. Apa, dan

Anthony Mackie, dan semuanya tampil dengan amat baik. Salah satu penampilan yang layak disorot adalah Russel Hornsby sebagai Maverick, ayah dari Starr yang penyayang namun keras dan pemarah dengan masa lalu kelam, yang hanya ingin melindungi keluarganya.

Lagu-lagu pengiringnya jelas terpilih dan terdiri dari rangkaian musik hip-hop, rap, dan R&B, serta campuran gospel dan pengaruh musik klasik, semuanya mendukung atmosfer dan pokok bahasanya. Diikutsertakannya musik rapper legendaris 2Pac merupakan langkah cerdas, karena liriknya sering membahas ketidakadilan sosial dan pengalaman warga kulit hitam di Amerika (selain juga fakta bahwa ia menginspirasi judul film/buku ini).

The Hate U Give merupakan drama remaja yang benar-benar menggugah pikiran dan mirisnya, juga muncul di waktu yang tepat.

Extraordinary gentlemen
spy in all fiction.....
JAMES BOND
Agent 007...

This month featuring

Special Editorial: James Bond Collection

Few fictional characters have had as many distinct screen incarnations as James Bond. Now onboard is a selection of classic Bond movies, featuring five different portrayals of the iconic secret agent.

SEAN CONNERY

First up is the series' debut entry, *Dr. No*, starring Sean Connery as 007, who travels to Jamaica to investigate the eponymous villain's plan to destroy the U.S. space program.

Connery's take is, perhaps, the definitive James Bond, even influencing how the character was written in Ian Fleming's later novels.

ROGER MOORE

Although initially being dismissed as mere popcorn-fodder, Roger Moore's tenure as Bond has gone on to become lauded in its own right.

His films and characterisation were decidedly campier and more light-hearted than the ones preceding them. This fun, more family-friendly 007 can be seen in *For Your Eyes Only*, where Bond seeks to recover an experimental device that can control Britain's submarines.

TIMOTHY DALTON

Producer Cubby Broccoli cast Timothy Dalton in order to ground the series with a darker edge. *License to Kill* — Dalton's second time in the role — sees Bond going rogue, hunting a drug-lord on a personal mission of revenge.

This portrayal is often cited as being the closest to the character as he was written in Fleming's novels: brutal and hardened but offering a degree of nuance and complexity not previously seen in the series.

PIERCE BROSNAN

Pierce Brosnan assumed the mantle in *GoldenEye* — seen by many as one of the best James Bond movies ever made. It sees 007 on a mission to prevent the hijacking of a space-satellite doomsday device that could destroy the planet. Brosnan's Bond can be seen as an amalgamation of those before him, marrying the charisma of Connery with the lightness of Moore and the tenacity of Dalton.

DANIEL CRAIG

An initially controversial pick, Daniel Craig has gone on to prove himself as perhaps the definitive Bond. His version is a truly compelling assassin, one who finds the job taking its toll on him as the series goes on. In *Skyfall*, Bond's loyalty to M is tested as her past comes back to haunt her.

Hanya ada beberapa tokoh fiksi yang memiliki begitu banyak perwujudan seperti halnya James Bond. Kini, kami menyediakan serangkaian film klasik Bond yang menampilkan lima tampilan berbeda dari agen rahasia yang ikonik ini.

SEAN CONNERY

Pertama adalah film perdana serial ini, yaitu *Dr. No*, yang dibintangi Sean Connery sebagai 007, yang pergi ke Jamaika untuk menyelidiki rencana kejahatan yang bernama sama seperti judul filmnya, untuk menghancurkan program luar angkasa AS.

Interpretasi Sean Connery mungkin merupakan yang paling jelas, bahkan memengaruhi perkembangan tokoh James Bond dalam novel-novel Ian Fleming selanjutnya.

ROGER MOORE

Meski pada awalnya dianggap sebagai pengganti yang tak layak, masa berperannya Roger Moore sebagai James Bond telah banyak dipuji dan ia layak mendapatkannya. Film dan penokohnya memang agak

terlalu berlebihan dan lebih ringan daripada film-film sebelumnya. Film 007 yang seru dan ramah keluarga ini diwakili oleh *For Your Eyes Only*, yang berkisah tentang upaya Bond untuk mendapatkan kembali perangkat eksperimental yang dapat mengendalikan kapal selam Inggris.

TIMOTHY DALTON

Cubby Broccoli sebagai produser memilih Timothy Dalton untuk lebih menonjolkan sisi gelap film Bond. *License to Kill*, film Bond kedua yang dibintangi Timothy, menampilkan James Bond yang memberontak, memburu raja narkoba karena misi balas dendam pribadi.

Penampilan ini sering kali dianggap sebagai yang paling dekat dengan penokohan yang ditulis Ian Fleming dalam novelnya: brutal dan keras, namun menawarkan sedikit nuansa dan kompleksitas yang belum pernah ditampilkan sebelumnya dalam rangkaian filmnya.

PIERCE BROSNAN

Pierce Brosnan mengambil alih

peran utama dalam *GoldenEye*, yang dianggap banyak orang sebagai film James Bond terbaik yang pernah dibuat. Kisahnya adalah tentang misi 007 untuk mencegah dibajaknya perangkat satelit ruang angkasa pemicu kiamat yang dapat menghancurkan bumi. Bond yang diperankan Pierce dapat dilihat sebagai kombinasi dari semua pemeran sebelumnya, memadukan kharisma Sean Connery dengan ringannya Roger Moore, serta kegigihan Timothy Dalton.

DANIEL CRAIG

Meski awalnya dianggap pilihan yang kontroversial, Daniel Craig telah membuktikan dirinya sebagai James Bond yang mungkin paling tepat. Versinya adalah pembunuh bayaran yang mengesankan, dan menyadari bahwa pekerjaan itu lama-kelamaan akan merusaknya seiring dengan berjalannya rangkaian film ini. Dalam *Skyfall*, kesetiaan Bond pada M diuji ketika masa lalu kembali menghantui M.

Indonesian Cinema

The Indonesian film industry has experienced a long slog towards acceptance on the wider international film scene. Despite the brief success that Indonesian cinema enjoyed in the 1980s, the 90s painted a rather different image. A large proportion of Indonesian releases were rated R, which meant that Hollywood and Hong Kong films filled a vacuum with their more family-friendly content. Come the early 00s, Indonesian films began to gain popularity again, and the industry witnessed a surge in the number of movies being made locally. Filmmakers dared to adventure to diverse genres, and producers gave new actors and actresses a chance at stardom — all of which was partly tied to the increase in movie screens.

This month, Garuda Indonesia presents some great films that have proven exceptionally popular at the box office in Indonesia. First up, we have *Laskar Pelangi* — based on the best-selling novel of the same name — which drew in an audience of 4.7 million. Next, a romantic drama: *Habibie & Ainun*, a love story about a former Indonesian president and his wife, which attracted a million viewers within its first week. In addition to these box office hits, we have *Ada apa dengan Cinta?*, which reached an impressive viewership of 2.7 million people in 2001 (solid figures at the time).

Following these, we have some high performing comedies: *Cek Toko Sebelah*, which managed an audience of 2.6 million, and *Yo Wis Ben*, which fell just shy of one million. And lastly, we have *Wiro Sableng*:

Pendekar Kapak Maut Naga Geni 212, a collaboration with Fox studios which has reached a very respectable 1.5 million people.

Please enjoy Garuda Indonesia's Box Office Movies Selection — all of which are onboard today — and help us support our homegrown movies.

Industri film Indonesia telah mengalami masa lesu yang panjang untuk dapat diterima di dunia perfilman internasional yang lebih luas. Meski sinema Indonesia pernah mengalami masa jaya singkat pada tahun 1980-an, industri ini memiliki citraan yang agak berbeda pada tahun 90-an. Kebanyakan film Indonesia pada masa itu berperingkat dewasa, yang artinya film-film Hollywood dan Hong-Kong mengisi kekosongan dengan konten mereka yang lebih sesuai bagi keluarga. Pada awal tahun 2000-an, film Indonesia mulai kembali meraih popularitas, dan jumlah film yang diproduksi secara lokal mulai bertambah banyak. Para pembuat film mulai berani membuat film dengan genre yang lebih beragam dan produser memberi kesempatan bagi aktor dan aktris baru untuk tampil, dan semua ini sebagian disebabkan karena peningkatan jumlah produksi film. Bulan ini, Garuda Indonesia mempersembahkan beberapa film hebat yang terbukti populer di Indonesia berdasarkan jumlah penjualan tiketnya. Pertama, kami memiliki *Laskar Pelangi*, yang dibuat berdasarkan novel berjudul sama, yang berhasil menarik 4,7 juta penonton. Lalu, sebuah drama romantis berjudul *Habibie & Ainun*, kisah cinta antara

mantan presiden Indonesia dengan istrinya, yang ditonton sejuta orang pada minggu pertama pemutarannya di bioskop. Selain film-film laris ini, kami juga menampilkan *Ada apa dengan Cinta?*, yang secara mengesankan meraih jumlah penonton hingga 2,7 juta pada tahun 2001 (angka yang luar biasa pada masa itu).

Berikutnya, kami memiliki film-film komedi yang mendapat sambutan baik, seperti: *Cek Toko Sebelah*, yang mampu meraih penonton hingga 2,6 juta, dan *Yo Wis Ben*, yang meraih nyaris satu juta penonton.

Terakhir, kami memiliki *Wiro Sableng: Pendekar Kapak Maut Naga Geni 212*, hasil kolaborasi dengan studio Fox yang telah meraih angka memuaskan sebanyak 1,5 juta penonton.

Kami harap Anda dapat menikmati Film Laris Nasional Pilihan Garuda Indonesia, yang semuanya tersedia saat ini, dan memberi dukungan bagi film-film buatan dalam negeri.

Indonesia

In the latest episode of *Indonesia Bagus*, we follow Nabila Putri to the district of Ilu, Papua, where the people follow the 'Bakar Batu' tradition (or the 'Tradition of Burning Stone'). Not too different from a barbecue, the tradition sees them heating a stone until it becomes incredibly hot, followed by adding ingredients on top of it and cooking them off. The hot stone can quite easily cook chicken, potatoes, sweet potatoes, and most other delicious ingredients. A hot stone barbecue is a common sight at celebrations, such as weddings, births or the coronation of a tribe leader. It's heartening to see all the village locals united and eating together outdoors. As well as exploring Papua's barbecue tradition, Nabila Putri also learns how the locals cook Buah Merah (Red Fruit). Red fruit is a unique fruit that only grows in Papua; once ripe, it becomes dark red with black spots, and it can weigh within the region of 10 kilos. In appearance, it's not dissimilar to a very long jackfruit, but one with a red colouration and very sharp leaves. The locals often

consume the sauce that derives from the fruit, as it has a lot of nutrition and contains a high level of antioxidants. Papua is also famous for its coffee. In the Karunggame plantation in Ilu, coffee production remains loyal to the traditional methods, and Nabila gives us an insightful look into all this and more. So, what are you waiting for? Check out this educational documentary, and don't forget to make Papua your next destination.

Pada episode terakhir *Indonesia Bagus*, kita mengikuti Nabila Putri ke Distrik Ilu, Papua, yang masyarakatnya masih menjalankan tradisi 'Bakar Batu'. Mirip dengan memanggang, dalam tradisi ini mereka memanaskan batu hingga amat panas, lalu menempatkan bahan-bahan di atasnya dan memasaknya. Batu panas tersebut dengan mudah akan memasak ayam, kentang, ubi, dan bahan-bahan lezat lainnya. Pemanggaan batu panas biasanya dilakukan saat perayaan seperti pesta pernikahan, kelahiran, atau pelantikan kepala suku. Rasanya mengharukan

melihat semua penduduk desa bersatu dan makan bersama di luar ruangan. Selain mengeksplorasi tradisi pemanggangan, Nabila Putri juga mempelajari cara penduduk lokal memasak Buah Merah. Buah merah adalah buah unik yang hanya tumbuh di Papua. Setelah matang, buah ini akan berwarna merah tua berbintik hitam, dan dapat berbobot hingga 10 kilo. Tampilannya tidak jauh berbeda dengan buah nangka yang sangat panjang, namun berwarna merah dan dengan daun yang sangat tajam. Penduduk lokal sering mengonsumsi saus yang berasal dari buah merah karena mengandung banyak nutrisi dan tinggi kadar antioksidannya. Papua juga terkenal karena kopinya. Di perkebunan Karunggame di Ilu, produksi kopi tetap mengikuti metode tradisional, dan Nabila menyampaikan liputan yang informatif tentang semua ini dan banyak lagi. Jadi, apa yang Anda tunggu? Segera tonton film dokumenter yang edukatif ini, dan jangan lupa untuk menjadikan Papua tujuan Anda berikutnya.

Ariana Grande: Live in London

Languages: English
60 min | Rating - 17+

© BBC MMXVIII

American pop sensation, Ariana Grande, shows off her exceptional vocal range during an exclusive TV special in which she dazzles the audience with 13 of her biggest and most recent hit singles. Grande introduces us to her fourth album, *Sweetener*, through an array of glamorous performances for songs such as: *No Tears Left to Cry*, *God is a Woman*, *Dangerous Woman*, *Better Off*, and even her rendition of Thundercat's *Them Changes*.

Ariana Grande Live in London opens with her smash hit, *no more tears left to cry* — the first single from her fourth album, *Sweetener*. The uplifting lyrics alone are enough to give you goosebumps, as Grande wrote the song as a tribute to the victims of her Manchester concert. The sombre tone soon fades, though, and the combination of an accelerating beat and the mantra “I’m lovin’, I’m livin’, I’m pickin’ it up” leaves you feeling hopeful, optimistic and ready for the next song. Full speed ahead, the 25 year old star also performs her renowned tenth top 10 hit (on the US Billboards) - *God is a Woman*. This track is loaded with a resilient message of female empowerment, which is intensified by the all-female orchestra standing firmly behind her. As the beat progresses and the drums kick in, Grande’s slow-singing and restraint to dive into those infamous big notes proves that she certainly is a versatile artist, which has made this track the addictive trap song that it is.

Indeed, all good things must come to an end, and Ariana Grande performs

one last time with her 13th song of the evening. *One Last Time*, was one of the few tracks of the evening which was plucked from her second studio album, *My Everything*. After forty minutes of back-to-back live performances, remarkably, Grande shows absolutely no sign of slowing down. Rather, the swift rhythm of the music, combined with the infectious lyrics, complimented by the pop star’s exceptional voice, are like the ingredients for an energy drink which, judging by their non-stop dancing, keeps the audience ecstatic and thirsty for more.

Sensasi pop asal Amerika, Ariana Grande, memamerkan rentang vokalnya yang luar biasa selama acara TV khusus yang menampilkan kemampuannya memukau audiens dengan 13 lagu terlaris dan terbarunya. Ariana memperkenalkan kita pada album keempatnya *Sweetener*, melalui serangkaian penampilan glamor dengan lagu-lagu seperti: *No Tears Left to Cry*, *God is a Woman*, *Dangerous Woman*, *Better Off*, dan bahkan lagu Thundercat, *Them Changes* dalam versinya sendiri.

Ariana Grande Live in London dibuka dengan lagunya yang amat populer, *no more tears left to cry*, lagu pertama dalam album keempatnya, *Sweetener*. Lirik yang bersemangat saja sudah cukup membuat Anda merinding, karena Ariana menulis lagu tersebut sebagai persembahan untuk para korban dalam konsernya di Manchester. Nada sedih segera berganti, dan kombinasi irama yang makin cepat dengan mantra “I’m lovin’,

I’m livin’, I’m pickin’ it up” membuat Anda merasa bersemangat, optimis, serta siap untuk lagu berikutnya.

Dengan kecepatan penuh, bintang berusia 25 tahun ini juga menampilkan lagu terkenal yang merupakan lagunya yang kesepuluh yang masuk dalam 10 lagu terpopuler (di Billboard AS), *God is a Woman*. Lagu ini penuh dengan pesan ketegaran pemberdayaan wanita, yang diperkuat dengan orkestra yang semua pemainnya wanita dan berdiri tegas di belakangnya. Seiring perkembangan lagu dan saat drum mulai terdengar, Ariana yang bernyanyi perlahan serta menahan diri untuk tidak langsung terjun ke nada-nada besar yang terkenal, membuktikan bahwa ia adalah artis yang serba bisa, sehingga lagu ini menjadi lagu jebakan yang membuat kecanduan.

Memang, semua hal yang baik akhirnya akan selesai, dan Ariana Grande tampil sekali lagi dengan lagu ketiga belasnya malam itu. *One Last Time*, merupakan satu dari beberapa lagu malam ini yang diambil dari album studio keduanya, *My Everything*. Setelah empat puluh menit tampil langsung secara berturut-turut, sungguh menakjubkan bahwa Ariana sama sekali tidak tampak kelelahan. Sebaliknya, ritme musik halus dikombinasikan dengan lirik memikat, dilengkapi dengan suara luar biasa bintang pop ini, ibarat bahan-bahan minuman berenergi, yang jika dilihat dari penonton yang tiada berhenti bergoyang, menyemangati mereka sekaligus membuat mereka haus dan ingin lebih.

Rita Ora - Phoenix

Rita Ora Credit: Sony Music Taiwan

British pop princess, Rita Ora, releases her second studio album after a six-year-long break. It's made up of sixteen tracks that combine hyper-feminine beats and lovelorn lyrics.

Phoenix is an emotional album which displays a vulnerability that was absent from Ora's debut. But don't worry, said emotion in no way gets between Ora and her pop hooks, and the pace of the album rarely slows; as ever, the melodies help carry the listener through each track with absolute ease.

What's most striking about her latest release is how much variety there is: there are tracks to dance to, to cry to, to chill out to, and even to simply nod your head along to. But if it's purely the fun and joyous quality of Ora that you're after in *Phoenix*, then turn your attention to *Girls*, which features Cardi B, Charli XCX and Bebe Rexha. Cardi's verse in particular is superb and injects the album with a very brief but welcome dose of girly hip-hop. Other collaborators on the album include the late Avicii, Liam Payne, and Rudimental. A strong contender for best track

on the album is *Anywhere*, which has an unusual sound and somehow manages to be both upbeat and melancholy at the same time. With warped lyrics and distorted dance beats, it is a song designed to be embraced and adored by nightclubs and house parties across the land.

Other standouts include *Let You Love Me* and *Lonely Together*, both of which directly tie into the more emotive sound of the album, while still maintaining a proper pop appeal. Also worth your time is *For You*, featuring Liam Payne. It starts with a truly epic, almost symphonic-sounding piece of electronica, before giving way to Ora's insanely catchy lyrics.

The closing track, *Soul Survivor*, is a fitting conclusion to the album. It's soulful — as you'd imagine — but it's also powerful, and excellently demonstrates Ora's vocal talents.

You'll be taken to giddy heights on *Phoenix*, which is a prime example of why Rita Ora is one of the biggest names in British pop at the moment.

Ratu pop Inggris, Rita Ora, merilis album studio keduanya setelah enam tahun absen. Album ini terdiri dari enam belas lagu yang memadukan ritme hiper-feminin dengan lirik patah hati.

Phoenix adalah album emosional yang menampilkan kerapuhan yang tak muncul di album perdananya. Namun, jangan khawatir, emosi itu tak memisahkan Rita dari daya pikat musik popnya, dan irama dalam album ini jarang melambat, seperti biasanya, melodinya mampu membawa pendengar melampaui setiap lagu dengan amat rileks.

Yang lebih mengejutkan tentang album terbarunya ini adalah betapa banyaknya variasi, dari mulai lagu untuk berdansa, menangis, bersantai, bahkan yang hanya untuk dinikmati sambil mengangguk-angguk kepala. Jika Anda hanya ingin mendengarkan kualitas menyenangkan dan mengasyikkan dari *Phoenix*, maka nikmatilah *Girls*, yang menampilkan Cardi B, Charli XCX, dan Bebe Rexha. Syair yang dibawakan Cardi amat bagus dan menyuntik album ini dengan irama hip-hop khas gadis remaja dalam dosis sangat singkat namun cukup memadai. Kolaborator lainnya antara lain adalah almarhum Avicii, Liam Payne, dan Rudimental.

Calon kuat untuk lagu terbaik dalam album ini adalah *Anywhere*, yang memiliki irama tak biasa dan entah bagaimana mampu berirama riang dan melankolis pada waktu yang bersamaan. Dengan lirik unik serta irama dansa terdistorsi, ini adalah lagu yang dirancang untuk digemari dan dikagumi oleh klub-klub malam dan pesta dansa di seluruh negeri.

Lagu-lagu lain yang menonjol adalah *Let You Love Me* dan *Lonely Together*, keduanya lebih dekat dengan nuansa emotif dalam album ini, namun cukup memiliki daya tarik pop. Yang juga layak didengar adalah *For You*, dengan bintang tamu Liam Payne. Lagu ini dimulai dengan musik elektronika yang sangat epik bahkan hampir terdengar bak simfoni, sebelum menampilkan lirik amat menarik dari Rita.

Lagu penutupnya, *Soul Survivor*, merupakan kesimpulan yang tepat bagi album ini. Irama soul-nya kental, seperti yang dapat Anda bayangkan, namun juga kuat dan secara luar biasa memamerkan bakat vokal Rita.

Anda akan dibawa ke puncak oleh *Phoenix*, yang merupakan contoh sempurna mengapa Rita Ora menjadi salah satu nama terbesar dalam dunia musik pop Inggris saat ini.
